OPEN DAY

We have decided on the 12th of September for our open day this year so mark your calendars for this fun day out. It will kick off at the usual time of 12 noon, we will parade the stallions and have a wander around our gorgeous property for those interested and then of course the serious business of lunch and refreshments! - Love to see one and all—and of course we are champing at the bit to show off our new season sire Buffalo Man, stunning son of super sire El Prado.

AUCKLAND BREEDERS STALLION PARADE

We were approached by NZB and asked if we would take Buffalo Man to Karaka on Sunday the 5th of September at 11.30 am (approximately) to participate in the Auckland Breeders stallion parade, because of the interest in the horse we have decided to let those further South see him in the flesh, knowing he can't help but impress, he is a truly magnificent animal.

Just a note for any Northlanders heading down on the Sunday there will be major road works going on at the motorway by Newmarket—so expect delays or take an alternate route.
